

Lifestyle Banking Timelines

Traveling down the road of life, you're bound to face new and unexpected blessings and challenges. Let Main Street Bank help you transition through those situations and achieve your financial goals. No matter where you are along the way, Main Street Bank has the products and services that will serve your needs:

Kids

- Moola Moola Savings

Teach your kids about managing their money early on with a Moola Moola Savings account. \$10 will let your child open an account and start earning interest today!

High School Graduate

- Basic Savings

Got a lot of cash from graduation gifts? Start earning interest on it by opening a Basic Savings account and saving for the future.

College Student

- Basic Savings
- Basic Checking
- ATM & VISA Check Card
- VISA Credit Card
- Internet Banking
- Personal Educational Loans

College is a time of new experiences, and learning how to manage your money is one of them! Make it easy by opening a basic checking account and using your ATM & VISA Check Cards to access your money anytime, anywhere. Main Street Bank's Internet Banking makes checking your balances and transferring funds a breeze. You can even apply online for personal and education loans to help you pay for tuition, books and housing.

First Job

- Direct Deposit
- Income Checking
- IRA
- CDs
- Auto Loans

Make it easy for yourself and start using Direct Deposit today – this simple service deposits your paycheck into your checking or savings account – saving you time and money. As you start earning a steady income, you may also start thinking about and saving for your future expenses. Main Street Bank offers a variety of CDs and IRAs to fit your personal needs and goals. We also offer Income Checking as an alternative way to earn more interest on your cash.

Getting Married

- Target Savings
- Prosperity Money Market
- Mortgages
- Personal Loans

Start your marriage off right by preparing for a financial future together. Whether you want to start saving for a home, a child or your retirement together, our Target Savings accounts will help you

achieve your financial goals. You can even apply for mortgages and home equity loans online to help pay for projects around the house.

Having a Baby

- Savings Accounts – education
- Performance Checking
- Investment Management

As your monthly expenses increase, get the most from your checking account with Performance Checking, which you can manage from home with our online banking. Want to start saving for your child's future? Set up a Target Savings account or talk to a representative about our Trust & Investment services.

Planning for Retirement

- Trust & Investment Services

Define your investment goals and the right methods to achieve them with the help of our Trust & Investment specialist. They'll work with you to select an investment approach that fits your objectives and priorities to ensure a relaxing retirement.

After Retirement

- Trust & Investment Services
- Forget-Me-Not

If you're over 50, you've worked hard for what you've earned and deserve a reward for your efforts. Our Forget-Me-Not program rewards you with special personal banking services to make your banking and money management easier. Plus, you'll qualify for special discounts on travel and social events. Use our Trust & Investment Services to manage your investments, estate planning, retirement services and more.
